PARISH OUTREACH TO COMMUNITY

In an effort to extend our reach to our brothers and sisters in the community, the Vestry decided, at the June Vestry Meeting, to give the loose plate offerings collected every second Sunday of the month, to the *Crofton Christian Caring Council* and to the *Clergy's Discretionary Fund*. In odd number months, the loose offering will go to our partners at the CCC and on even months, it will go to the Discretionary Fund. Every 2nd Sunday a bulletin announcement will remind you, the congregation, where the funds are going. If you have any questions, please see a Vestry member or Father Hailey+.
