

Snow Policy

Worship Services:

Our parish will never cancel a scheduled service of Holy Eucharist. The proximity of the rectory (next door to the church) makes it possible for me to open the church and hold services. This provides an opportunity to worship for all who feel that it is safe to venture out.

However, I want you all to use your best judgment. If you are worried at all about the weather, please stay home so you can *stay safe!*

Parish Office:

The Parish Office follows the closing decisions of Anne Arundel County Public Schools; when the County Schools delay or close during business hours, so will the Church office. When the Parish Office is closed, any meetings or activities scheduled for that day are also canceled/postponed, unless the person leading the meeting has contacted everyone saying otherwise. Safety is the number one concern.

In the case of pastoral emergencies, Father Hailey may always be reached by calling the pastoral line (410) 703-4264
